FINANCIAL AND COMMERCIAL.

MONETARY.

MONDAY EVENING, November 19, 1866.

The following is an exhibit of the business of the United States Sub-Treasury, in this city, for the week ending November 17:

There were no new features to notice in the general condition of the Money market. Business was quiet, though the demand for Money exhibited a little more activity in some circles, than on Saturday. There was no change in rates of discount.

New York Stock Market.

Closing prices for cash, November 19, 1866 reported by Joseph S. Lyons & Co., Brokers, 38 South Clark street:

Market—First Board steady. Second Board firm.

COMMERCIAL.

MONDAY EVENING, November 19, 1866.

The following tables show the receipts and shipments of produce during the past forty-eight hours:

RECEIPTS PAST FORTY-EIGHT HOURS.

SHIPMENTS PAST FORTY-EIGHT HOURS.

There is no material change to note in the Provision market, though the more favorable advices from New York imparted a rather firmer feeling to sellers. Mess Pork was quiet with sales of 150 brls (part on Saturday night) at $20.00. Sweet Pickled Hams sold to the extent of 25 tcs at 15½c. Green Meats were nominal at 10c for Hams and 8@8½c for Shoulders, from the block, with numerous sales of Hams at the quotations given, subject to approval. Lard was quiet and easier, with sales of 175 tcs at 12½@13c spot and 12c for January delivery. Grease was firm, with sales at 10½c for White and 9½c for Brown.

Whiskey was dull, with retail sales of Free at $2.25. Bonded is neglected and nominal at 32@33c.

Flour was dull and nominally 25c lower—operators showing no disposition to purchase at the decline. About 1,800 barrels changed hands at $9.25@11.25 for Spring Extras; $6.75@9.00 for Spring Supers, and $5.50@6.75 for Rye Flour.

The Wheat market was quiet. No. 1 Spring was 2@3c higher. No. 2 opened a shade better, but closed about the same as on Saturday. We note sales of 70,000 bu at $1.95@2.11 for No. 1—the upper figure for receipts in R. I. and A. D. & Co.; $1.91 for No. 2 in R. I.; $1.80 for do in A. D. & Co.; $1.76½@1.79 for do in N. S. & N. W. and $1.25@1.35 for Rejected Spring—closing at $1.93@2.10 for No. 1, and $1.76½@1.77 for No. 2 Spring in regular houses.

Corn opened 3@4c better, but subsequently, under less favorable advices from New York, the advance was almost entirely lost. About 150,000 bu changed hands at 80@81½c for No. 1 and 78@80c for No. 2 in store—closing firm at 82c for No. 1. Ear Corn sold at 45c on track.

Oats were quiet and firmer, but without any essential change. Sales were made at 36@36½c for No. 1, and 34½@35c for No. 2 in store—closing at 35c for the latter.

There was more animation in Rye, and the market advanced fully 3c, with sales at 80@85c for No. 1, and 81@82c for No. 2—closing at 85c and 82c.

The demand for Barley was more active, and we note an improvement of 4@5c on No. 2 and 3@5c for Rejected, with sales at 61@71c for the former and 40@50c for the latter. Sample lots sold at 75c@$1.15 for fair to choice.

Lake Freights were dull, with engagements at 8c for Oats to Buffalo and 10½c for Wheat to Toledo.

The Grocery trade is fairly active, and the market a shade weaker on goods affected by the standard of gold. Prices otherwise are fully maintained.

Hardware goods, including Metals, Tinners' Stock, Iron, Steel and Nails, are in good demand, and the market is steady and strong.

Salt is fairly active and steady, with sales of Domestic Fine at $2.60 delivered.

Seeds are more active and a shade firmer. Timothy selling from $2.50@2.65, and Clover at $8.75.

Wool continues dull and without quotable change in values.

Lumber by the cargo is in good supply, and with a fair demand prices are generally well maintained. Concessions, however, have been made where sales were peremptory.

The following despatches were read on 'Change to-day:

BUFFALO, November 19.

NEW YORK, November 19.

LATER.

In the afternoon the Grain markets were quiet and steady at about the closing figures paid on 'Change. There was some inquiry for Lard, with sales of 200 tcs at 12c, seller December and January.

The Cattle market was dull and inactive. There was a meagre supply of stock in the pens, and with very few buyers in attendance, transactions were limited to about 150 head, taken chiefly by city butchers. The market closes dull and nominal at $6.50 for common to $7.50 for choice grades.

The market for Hogs was quiet and steady at about Saturday's rates. About 500 head were taken, chiefly by packers—at a range of $6.00 for common to $6.50 for good, smooth, even lots.
